Thank you for your interest in our **Instrument Rent-to-Own Plan**. Please follow these simple guidelines:

- 1) Read the Rental Agreement, Terms and Conditions carefully.
- 2) **PLEASE** fill out the Rental Agreement completely and sign in the space provided. Contracts not completely filled out will be returned often causing the student to miss their first lesson.
- 3) Return all copies of the Rental Agreement with your **1<sup>st</sup> Month Rental Payment** to us in the envelope provided. A copy of the agreement will be mailed to you when the instrument is delivered to your child's music teacher.
- 4) Your teacher may have requested that your child purchase a Music Stand, Music Book or Extra Accessories with their instrument. You may order these with your rental or separately.

**PLEASE NOTE** that we must have your **1<sup>st</sup> Month Payment** and a **Completed Contract** before we can reserve an instrument for your child. We have a limited number of instruments available and therefore rent on a "first come, first serve" basis.

If you have any questions, please call us at (716) 886-5902. Thank You!
